

## Thanks for all the complements

By Flemming A. Jensen

Sæby, Denmark, October 13<sup>th</sup> 2006.

First of all, thanks for all the complements related to the creation of the new and present website. We have done a great effort in order to develop an exclusive, delicate and functional design, and for the time being, it seems to have succeeded.

The 7 Corks is a very interesting and inspiring project, which leaves all the members and other participants with a common platform to enjoy and learn about the world's most delicious wines. Besides the enjoyment of red wine, it also contributes with a shared platform to develop and express new ideas within the spirit of The 7 Corks.

I will also forward my gratitude to all the founders of The 7 Corks - Christian F. Pedersen, Edwin Kurz, Maximilian Kurz and Ursula Kurz, for putting massive amount of hours in this project. If it wasn't for their enormous effort this community wouldn't have become reality.

As an appeal to all the readers/users of the7 corks, please make use of this guest book option. Share some fascinating points of view with the audience of the site, by emailing it to [founders@the7corks.com](mailto:founders@the7corks.com)
